

Rollesby Broad Sailing Club

Club Information Sheet

Who are we?

We are a small, friendly, family based sailing club, always ready to welcome new members. We offer:

- ◆ Racing 52 weeks of the year in a handicap fleet
- ◆ Cruising on the tranquil and unspoilt Rollesby and Ormesby Little Broads.
- ◆ Help and encouragement for anyone new to sailing or racing.

Recreational Sailing

Cruise on the third largest of the broads. Rollesby and Ormesby Little Broads offer quiet recreational sailing on 77 hectares of unpolluted water, undisturbed by the bustle of motorboats, which so often intrude elsewhere.

Sail through the gap into Ormesby Little Broad between July and October.

Visit the Boat House for a drink or just enjoy pottering about in your boat.

Friendly Racing

We are the only club in Norfolk to offer competitive racing all year round. The primary classes raced are Wayfarers, Solos and Lasers but there are also regular participants in Albacores, Stratos, Enterprises, Mirrors, Phantoms and several other classes.

Racing is handicap based and there are six club series together with six club regattas annually. Combined with Open regattas, the racing is varied and fun.

Increased participation in Winter sees the fleet split into separate Multisail and Single Hander fleets.

Start Racing

We encourage newcomers to join in races and always remember that we were all novices once! There are always plenty of experienced members on hand to offer friendly advice on rules or boat setup. Sunday racing can get competitive in Winter but in Summer and on Wednesday evenings it is much more about participation than finishing position. And should the worst happen a rescue boat is always on hand.

Beginners and Families

Beginners and families are always welcome at Rollesby. The broad offers an ideal environment for our beginners and our experienced members will always be willing to help out and advise.

The club house is situated right on the water's edge. This is ideal for families who wish to take turns, or to be within easy reach of a helping hand. A safety boat is available for members' use.

During the Summer months we have an experienced club member available on Saturdays to offer encouragement and support.

Club Boats

We have a range of club boats for members to hire at very reasonable rates.

Classes include Wayfarers, GP14s, Solos, Lasers, Toppers and Optimists.

Annual Subscriptions

For current membership and berthing fees please refer to our website www.rbsc.org.uk for more information. The club is run by the members for the members and we try to give excellent value for money. One way in which we do this is to ask all members to help with the jobs involved in running a sailing club.

We all have different skills to offer which helps us keep our fees comparatively low.

Club work days are fun and are a great way to get to know each other better.

Where to find us

Rollesby Broad is about 5 miles north east of Great Yarmouth on the south side of the A149.

We are the middle one of the Trinity broads situated between Filby and Ormesby Broad.

Our entrance is difficult to find and we are happy to keep it that way for security reasons.

We are off Burghwood Road which is 100m east of the car park on the edge of Rollesby Broad.

Drive slowly up the road for 200m and you'll see our entrance on the right hand side.

A detailed map is available on our website. Alternatively the postcode is NR29 3LT.

If you are interested in joining us and sailing on one the most beautiful waters on the Broads then contact Pete or Rachel on 01953 606334. Alternatively email membership@rbsc.org.uk
